

DRIVER ANDROID APP - GUIDE

- A. Logging in to the app
- **B.** Driver App Overview
- C. Receiving a job
- D. Accepting a job

A. Logging into the app

You need to install the Infinite Cab App from the Google Play Store.

When you log into the driver app for the first time, you will have to create an account for you by listing out the following details.

- 1. Your desired username
- 2. Your full name
- 3. Password.

- 4. Mobile Number
- 5. Password
- 6. Re-enter Password

Press "Submit" and you will be redirected to the next page where you can complete the registration process by filling out the following data.

¥₩♥₽ × Comple		ration	≗ 10:30

Seating Capacity			
-	SUBMIT		
\triangleleft	0		

- 1. Country
- 2. Your full address
- 3. E-mail
- 4. An alternative mobile number
- 5. Licence number of your cab
- 6. Tax Renewal Date
- 7. Insurance Renewal Date

- 8. Cab Type
- 9. Cab Model and
- 10. Seating capacity.

In the next page, you need to upload the copy of the following documents.

- 1. Your photo,
- 2. Driver's licence and
- 3. Address proof.

Then you have to provide your bank account details.

10:38 AM 🕑 🕝						
×	Bank Details					
Bank N	ame					
Accoun	t Number					
Branch	Code					
Swift Co	ode					
	SUBM	ит				

- 1. Account details like bank name
- 2. Account number
- 3. Branch code and
- 4. Swift code.

Now, the procedure for Registration is complete.

Upon approval from admin, you will receive a message as shown in the screenshot and you can be a part of the network and can login from the app.

How to go online

Once the approval from the admin is obtained and you have logged into the app, you need to click "Go Online" button in the bottom of the window to go online.

How to find passengers from the app

When you are online, a green button will be displayed in the bottom of the page. By pressing on this button, you can find riders near you.

How can I go offline

By clicking on the red button at the bottom right side of the window, you can go offline.

B. Driver App overview

Once you log in to the Driver App, to the left of the screen, you will see the following.

1. Future Trips

From the menu in the top left corner, choose "Future Trips".

The trip details of your scheduled trips are shown here. At the scheduled time, the driver can begin the trip.

From here, you can

- 1. Call Passenger
- 2. Begin Trip
- 3. Cancel Trip

2. My Profile

Here, we can edit our personal details.

3. Suggested Trips

Here, all passenger requests for trips from your current location are shown. You can choose which trip you would like to take and confirm it. Then , further details will be shown in the 'Future Trips' tab.

4. My Profile

All details which has been entered at the time of registration are displayed here.

5. My Trips

All the trips undertaken by the driver during the course of his tenure with the current company is displayed here along with the date of journey and fare details.

6. My Earnings

Just like My Trips, all the earnings that the driver accumulated during his tenure with the organisation is displayed here along with the date.

7. About Us

You can call Cab Support from here.

8. Log out

If you want to take a break from work, you can log out and go offline.

9. Exit

To exit from the app.

C. Receiving a job

All the details regarding the ride will be known before you accept the job.

- 1. Name of the passenger
- 2. Pick up location
- 3. Drop location

- 4. Time of Pick up
- 5. Contact number of the passenger

You have the option to accept the trip or cancel it.

D. Accepting a job

If you are ready to accept the job , you can click 'Begin Trip'. You will be shown the passenger location on the map and once you have driven down there, you can ring the passenger up.

Once the trip is begun, you can navigate with the help of maps and reach the location.

After the trip, you will get details of the fare to be taken from the passenger along with other details like Total Distance, Running Charge, Discount, Waiting Charge and Waiting Time. Get the fare from the passenger and rate him/her on a scale of 5 starts by clicking on 'Rate User' Tab.
